## Storytelling Through Dance

<https://www.obt.org/education-outreach/>

This week-long workshop is for all students who like to move and groove, tell stories, and most important DANCE! Each day includes a ballet class, creative movement and improvisation, and culturally specific dance from around the world. Students will learn about many different forms of dance and celebrate the diversity of people and stories who have shaped this evolving art form. Most importantly, students will get to share their own stories through movement!

Our program is designed to engage students in meaningful learning experiences that will not only educate but inspire them to be actively responsible in their families and community. We will implement services that are filled with experiential, hands-on learning, collaboration, excitement, and topics in STEM. Students will have opportunities to choose classes and activities that they are interested in along with required English language arts, math, and social emotional classes. Community partners will participate weekly by offering specialized classes, sharing their expertise, and providing opportunities for possible mentorship to our students. There will also be a culturally specific and culturally relevant field trip every Friday.

## Fred Hampton Summer Camp

<http://www.michaelstevensonjr.com/fred-hampton-summer>

The Vanport Mosaic--in collaboration with Master Artist Michael Bernard Stevenson Jr. and seasoned artist/educator Andrea White--proposes Fred Hampton Summer, a four full days a week, eight-week experience (June 28--August 19) at the Dr. Martin Luther King Jr. Elementary School for students in grades 3-8. Young people are whole people who have distinctive desires and aspirations. It is the responsibility of their elders and educators to cultivate, communicate, and build comprehensive understanding, while holding space for individual student needs--weaving the range of these diverse perspectives into a strong student learning cohort. The ideology and culture of Fred Hampton Summer will be directly informed by studying The Black Panthers, activists Kent Ford and Fred Hampton, The Rainbow Coalition, schools in Vanport and Guild's Lake (two local wartime temporary housing projects), as well as the namesake of the school itself, Dr. Martin Luther King Jr. Among these histories are exemplary ideas of discipline, organization, intercultural solidarity, and youth led initiatives in action. These principles will set the stage for our moral and ethical values as faculty and students work through our community agreements and codes of conduct.

The study of these historical groups and events will be nuanced with exploration of contemporary artists, community organizing, and other youth-friendly sources that are likely familiar to students, like the 2018 Black Panther film starring Chadwick Boseman and the 2021 graphic novel history The Black Panther Party by Portland writer David F. Walker. Leveraging their new or refreshed understanding of the cultures being referenced in these contemporary sources, students will learn about how to conduct themselves in our cohort as well as think through the complicated challenges that arise in the material.

## Chess for Success Day Camp

[Chessforsuccess.org](http://Chessforsuccess.org)

Chess for Success Day Camps create ways for children to grow and learn through outdoor play, chess instruction, pro-social peer interaction and exploration. Chess for Success camps offer ways for children to nurture their relationship to themselves, peers, and trusted adults. Our Day Camp is a place to learn about nature, explore, and make memories! We offer half-day camps for children ages 5–12. Each camp day contains a mixture of activities:

- Small group opening and closing circles
- Songs, puppet shows, skits, and storytelling
- Chess instruction and match play with a small group in a similar age range
- Snacks and lunch along the trail
- COVID-safe small group games
- Open-ended art and nature crafts.
- Time for community-building through silly games, team-building activities, and casual conversation

**June 21–August 18**  
**Monday–Thursday**  
**8 a.m.–1:30 p.m.**

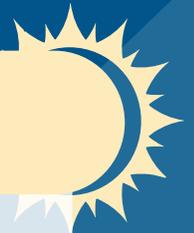

**Ages**  
**5–12**

**30 spaces**  
**available at**  
**each site**

**Open Enrollment**

**Woodlawn, Creative Science,**  
**Kelly, Sabin, Rosa Parks,**  
**James John, Tubman**

## Girl Scouts Summer Adventure

[https://docs.google.com/forms/d/e/1FAIpQLSduCJrl4OIXup-fXDbXqMrw2gtoe-0x00\\_8spe922nkrAcSgw/viewform](https://docs.google.com/forms/d/e/1FAIpQLSduCJrl4OIXup-fXDbXqMrw2gtoe-0x00_8spe922nkrAcSgw/viewform)

Your girl is a creator, an explorer, a leader. There's no stopping her big dreams! And Girl Scouts can help get her there. Join us this summer for a two-week, hands-on adventure! Whether she's building a solar oven, making art from natural materials, hiking a forest trail at the nearby Camp Arrowhead, or honoring local change-makers through a service-learning project, she'll discover something new—about her world and herself—each day. With new friends and caring adults by her side, she'll take the lead, grow and have FUN this summer!

**Program starts July 6**

**Monday–Friday**

**9 a.m.–3 p.m.**

**Boise-Eliot/Humboldt,  
King, Rosa Parks**

**Ages 6–9**

**Ages 8–11**

**15 spaces**

**available per  
site for each  
age group**

**Direct Appointment**

## REAP Summer Programming

[reapusa.org/reap-summer-programming/](https://reapusa.org/reap-summer-programming/)

REAP is excited to announce summer programming running June 29<sup>th</sup>-August 6<sup>th</sup>, with six weeks of in-person offerings Tuesday through Friday! We'll have activities and field-trips geared on reconnecting with each other to rediscover the joy in spontaneous social interaction. Staff will facilitate programming on identity affirmation, relationships, community, social responsibility, and most of all, building friendships and creating fun summer memories that last a lifetime! Stay tuned to the REAP website for updates on times, locations, and transportation provided.

### Mad Science: Junior Science Explorers

[Portland.madscience.org](http://Portland.madscience.org)

Decipher the world all around us in this exciting camp designed just for your young scientist! Campers will develop their earth awareness and explore this world as junior naturalists before heading for space as junior astronauts. Campers will also explore just why their big toe is important and how to find their center of gravity when they investigate the science of sports!

June 21-August 13 Monday-Friday 9 a.m.-12 p.m. 1:30 p.m.-4:30 p.m. Locations TBD	Ages 7-9	15 spaces available each week at each site	Direct Appointment

## Mad Science: Scene of the Crime

[Portland.madscience.org](http://Portland.madscience.org)

Blood spatter and brain matter, oh my! Not for the weak-hearted, this camp will let your scientist's inner CSI scream! Enter the crime scene and see if your team can solve the crime by observing, interrogating and analyzing the evidence that you collect. Children experience how science is used to collect, analyze and understand what evidence is telling us about a crime scene.

July 5–July 23

## Science, Technology, Engineering, Mathematics

### Mad Science: Creative Contraptions

[Portland.madscience.org](http://Portland.madscience.org)

Creative contraption warning! Junior inventors go on a journey of discovery from the real life inventions of daVinci, Edison and the Wright brothers to Isaac Asimov's dreams of future inventions. Each day campers are given a series of challenges which must be overcome using basic materials, simple machines, tips from famous inventors and the most important thing of all... their mind. With a little bit of ingenuity they'll construct catapults and forts and then lay siege, fabricate innovative flying contraptions, design their own gizmo prototypes and will even assemble a working light saber.

## Northwest Children’s Theater’s Create-Your-Own Play

<https://nwcts.org/create-your-own-play/>

See your imagination come to life with Northwest Children’s Theater’s Create-Your-Own Play Summer Camp! Explore the wonderful world of dramatic arts through theater games, character creation, and imaginative world-building. Then, transform the stories you create into a theatrical presentation while developing your acting and performance skills! Each camp is supported by the NWCT Shop, a team of theatrical designers and fabricators, who will enhance your creation with custom costume, prop, set, and sound elements.

**August 16-20**

## Playwriting and Performance

<http://writopialab.org/portland2021>

Over the course of two weeks, middle school writers will work in age-based groups with professional playwrights, actors, writing, directing, and performing plays. Students can choose to focus mostly on one, two, or all three of those options. Through writing games and exercises, participants will have the chance to channel their thoughts, dreams, and ideas into their very own short plays; pieces that come directly from them, that no other person could write. They will then cast and direct one another, and rehearse and perform in each other's plays. The 3 week will culminate in a presentation of original and performed, directed, and often written by these exciting new writers and young actors!

July 19-July 30

Ages

20 spaces

## REAP Summer Programming

[reapusa.org/reap-summer-programming/](http://reapusa.org/reap-summer-programming/)

REAP is excited to announce summer programming running June 29<sup>th</sup>-August 6<sup>th</sup>, with six weeks of in-person offerings Tuesday through Friday! We'll have activities and field-trips geared on reconnecting with each other to rediscover the joy in spontaneous social interaction. Staff will facilitate programming on identity affirmation, relationships, community, social responsibility, and most of all, building friendships and creating fun summer memories that last a lifetime! Stay tuned to the REAP website for updates on times, locations, and transportation provided.

## Fred Hampton Summer Camp

<http://www.michaelstevensonjr.com/fred-hampton-summer>

The Vanport Mosaic--in collaboration with Master Artist Michael Bernard Stevenson Jr. and seasoned artist/educator Andrea White--proposes Fred Hampton Summer, a four full days a week, eight-week experience (June 28--August 19) at the Dr. Martin Luther King Jr. Elementary School for students in grades 3-8. Young people are whole people who have distinctive desires and aspirations. It is the responsibility of their elders and educators to cultivate, communicate, and build comprehensive understanding, while holding space for individual student needs--weaving the range of these diverse perspectives into a strong student learning cohort. The ideology and culture of Fred Hampton Summer will be directly informed by studying The Black Panthers, activists Kent Ford and Fred Hampton, The Rainbow Coalition, schools in Vanport and Guild's Lake (two local wartime temporary housing projects), as well as the namesake of the school itself, Dr. Martin Luther King Jr. Among these histories are exemplary ideas of discipline, organization, intercultural solidarity, and youth led initiatives in action. These principles will set the stage for our moral and ethical values as faculty and students work through our community agreements and codes of conduct.

The study of these historical groups and events will be nuanced with exploration of contemporary artists, community organizing, and other youth-friendly sources that are likely familiar to students, like the 2018 Black Panther film starring Chadwick Boseman and the 2021 graphic novel history The Black Panther Party by Portland writer David F. Walker. Leveraging their new or refreshed understanding of the cultures being referenced in these contemporary sources, students will learn about how to conduct themselves in our cohort as well as think through the complicated challenges that arise in the material.

## Chess for Success Day Camp

[Chessforsuccess.org](http://Chessforsuccess.org)

Chess for Success Day Camps create ways for children to grow and learn through outdoor play, chess instruction, pro-social peer interaction and exploration. Chess for Success camps offer ways for children to nurture their relationship to themselves, peers, and trusted adults. Our Day Camp is a place to learn about nature, explore, and make memories! We offer half-day camps for children ages 5–12. Each camp day contains a mixture of activities:

- Small group opening and closing circles
- Songs, puppet shows, skits, and storytelling
- Chess instruction and match play with a small group in a similar age range
- Snacks and lunch along the trail
- COVID-safe small group games
- Open-ended art and nature crafts.
- Time for community-building through silly games, team-building activities, and casual conversation

**June 21–August 18**

## Cultured Cooking Summer Program

[www.feedthemass.org/summer](http://www.feedthemass.org/summer)

The Cultured Cooking Summer Program 2021 is a comprehensive and interactive food education program designed for students ages 11–17. Through simultaneous in-person and virtual cooking classes participating students will engage in culturally enriching educational experiences centered around food. These classes will be led by Jacobsen Valentine; chef, founder and Executive Director of Feed the Mass, a non-profit organization based in Portland. Students will have the opportunity to engage with one another and Chef Jacobsen throughout the class experience, as they create healthy, fresh, hot meals they can enjoy with their friends and family. No previous cooking experience is necessary. We hope to prioritize participation from students who are members of vulnerable and underserved communities.

**June 22–August 17**

**(No classes July 5–9)**

**Tuesdays**

## Youth Empowerment Project (YEP)

[www.yeppnw.org](http://www.yeppnw.org)

We will offer three YEP Camps, each three weeks in length. YEP Camp Ujima (collective roots and responsibility) will run from June 22nd to July 9th (no camp July 5) YEP Camp Kuumba (creativity) will run July 12th–July 30th, and YEP Summer Camp Imani (Faith in our community [www.yeppnw.org](http://www.yeppnw.org) V3) August 2nd–August 20th. YEP Camp Participants will attend from 9:00 am to 3:00 pm each day Monday–Friday, and YEP High School Teen Mentors, who will be shadowing the YEP Staff Mentors/Group Leaders, will work from 8:30 am–4:30 pm. By providing three individual YEP Camps, we offer flexibility for busy family summer schedules. Students are welcome, though not required, to attend multiple V4 camps. The daily YEP Camp schedule includes field trips two days per week. Program goals include providing culturally responsive, robust in-person programming which affirms Middle School youth through opportunities to experience hands-on, exploration of the arts and our environment and engage in physical activity. Students will engage in peer to peer group activities centering collaboration and skill building of individual social V5 emotional wellness. A focus on cultural knowledge is imparted from staff of color and leveraged partnerships who will create and maintain inclusive, welcoming environments for BIPOC and all youth.

## Wild Diversity's Ecology Summer Days

[wilddiversity.com/youth-ecology](http://wilddiversity.com/youth-ecology)

Wild Diversity's Ecology Summer Days is a day program that occurs 1–2 days a week throughout the summer. Our Ecology Summer Days are themed each week to educate, engage and excite youth towards hands-on, mission centered ecology activities. Ecology Summer Days are stand-alone, day long events covering topics in conservation, outdoor skills, ecosystems, plant and animal ecology and more. Our programs are hands-on and take place entirely outdoors. The Ecology Summer Days program is geared towards BIPOC middle school aged youth whose families identify as low-income.

## Science, Technology, Engineering, Mathematics

### Mad Science: Brixology

[Portland.madscience.org](http://Portland.madscience.org)

Brixology sets the foundation for our next generation of makers! Learn about the exciting field of engineering as a Mad Scientist guides you and your team to accomplish engineering-themed projects using LEGO® bricks and other materials. Aerospace, structural, water, learn about engineering the Mad Science way!

June 21-June 25	Ages	15 spaces	Direct Appointment
July 12-July 16	11-13	available each	
August 9-August 13		week	
Monday-Friday			
9 a.m.-12 p.m.			
1:30 p.m.-4:30 p.m.

### Mad Science: Microscopic Explorers

[Portland.madscience.org](http://Portland.madscience.org)

Start off with a bang by creating some amazing chemical reactions! Make a lemon powered battery, find out how aspirin works and witness some frenetic fireworks. Discover how chemicals combine to form living cells, and take a look through a microscope to see one up close. Learn how living cells combine to form functioning organs, and what yours do for you. Understand your body from the atoms on up!

July 19-July 23	Ages	15 spaces	Direct Appointment
August 2-August 6	11-13	available each

## **Bodecker Foundation Creative Workshops**

[www.bodeckerfound.org/workshop](http://www.bodeckerfound.org/workshop)

The Bodecker Foundation is pleased to announce our Summer 2021 schedule of FREE virtual and (new!) hybrid creative workshops for Portland-area high school students running June 28-August 11.

Led by professional artists, writers, musicians, and educators, our multidisciplinary workshops are designed to empower creative youth to imagine and achieve their artistic, educational, and professional dreams. Summer workshop disciplines include songwriting, creative writing, film/video, fashion design, portfolio development, printmaking, spoken word, contemporary Black art, and risograph and zine making, among others. Threaded throughout is a career exploration and applied arts approach that uniquely centers collaboration, inclusivity, and positive affirmation of student identities.

Workshops include a mix of online activities and offline individual and/or collaborative project work. Transportation stipends are available for hybrid in-person dates.

Online registration is now open at [www.bodeckerfound.org/workshop](http://www.bodeckerfound.org/workshop)

We look forward to creating with you!

## Hand2Mouth Youth Devising Residency Program

<http://www.hand2mouththeatre.org/>

Open Call to young people ages 14 and up from all backgrounds who are interested in creating in ensemble a uniquely devised performance piece. What is Devising? Devised theater is a theater creating style where a group of people work collectively and collaboratively to design a performance from nothing to something. There is no script prior to the process, it is created along the way. Performances are non-traditional and can break expectations. Devising theater provides a space to find, empower, and amplify your creative voice. Artists, writers, dancers, designers, technicians, musicians, future politicians, poets, activists, and all are encouraged to apply. Students of all abilities will work under the guidance of Hand2Mouth teaching artists, who are world-class performers, to create and perform an original community reflective theatre piece of their own devising. This program is FREE. Transit passes and food will be provided.

## Beyond Ballet

Choreograph, produce, and film your own dance video in this two week Beyond Ballet workshop sponsored by Oregon Ballet Theatre. Students will get hands-on experience learning the technical aspects of stage production including stage management, sound engineering, costuming, lighting, and filming. Mornings will consist of a movement workshop that may include yoga, ballet, contemporary dance, and culturally specific dance from around the world. Students will be guided in choreographic projects that will then be produced and filmed. Each student will receive a digital copy of their dance at the end of the workshop.

## Cultured Cooking Summer Program

[www.feedthemass.org/summer](http://www.feedthemass.org/summer)

The Cultured Cooking Summer Program 2021 is a comprehensive and interactive food education program designed for students ages 11–17. Through simultaneous in-person and virtual cooking classes participating students will engage in culturally enriching educational experiences centered around food. These classes will be led by Jacobsen Valentine; chef, founder and Executive Director of Feed the Mass, a non-profit organization based in Portland. Students will have the opportunity to engage with one another and Chef Jacobsen throughout the class experience, as they create healthy, fresh, hot meals they can enjoy with their friends and family. No previous cooking experience is necessary. We hope to prioritize participation from students who are members of vulnerable and underserved communities.

**June 24–August 19  
(No classes July 5–9)**

**Thursdays  
10 a.m.–12 p.m.

## Natural Resource Pathway Green Team

[portlandoic.org](http://portlandoic.org)

The Green Team will be working, learning, and experiencing the outdoors 3-4 days a week. Participants will be pruning neighborhood street trees that were planted last year, conducting plot studies to evaluate previous revegetation, and facilitating neighborhood clean ups. In addition, crew members will have the opportunity to go fishing, canoeing, camping, and backpacking throughout the summer.

## Start Your Startup in High School Entrepreneur and Invention Summer Camp

<https://oregon.tie.org/tye-summer/>

The “Start Your Startup in High School” Summer camp will challenge and empower students to become the next generation of entrepreneurs, business, and community leaders. Join us for a week-long exploration of invention and entrepreneurship where students will be guided into an entrepreneurial mindset of solving problems through invention. By the end of the week, students will have identified a problem, come up with a viable solution, prototyped their product, and will pitch their invention and business to their peers. The problem-solving skills learned can be used in all aspects of life.

## Chess for Success Day Camp

[Chessforsuccess.org](http://Chessforsuccess.org)

Chess for Success Day Camps create ways for children to grow and learn through outdoor play, chess instruction, pro-social peer interaction and exploration. Chess for Success camps offer ways for children to nurture their relationship to themselves, peers, and trusted adults. Our Day Camp is a place to learn about nature, explore, and make memories! We offer half-day camps for children ages 5-12.

Each camp day contains a mixture of activities:

- Small group opening and closing circles
- Songs, puppet shows, skits, and storytelling
- Chess instruction and match play with a small group in a similar age range
- Snacks and lunch along the trail
- COVID-safe small group games
- Open-ended art and nature crafts.
- Time for community-building through silly games, team-building activities, and casual conversation

## Youth Empowerment Project (YEP)

[www.yeppnw.org](http://www.yeppnw.org)

YEP will be employing up to 10 Teen Mentors, who will work with YEP Adult Mentors/ Group V6 Leaders. Together YEP Teen Mentors will provide support and supervision to the group of campers they are assigned for each of the three camps. YEP is offering three YEP Camps for students going into 6th, 7th and 8th grade. Each camp will be three weeks in length. YEP Camp Ujima (collective roots and responsibility) will run from June 22nd to July 9th (no camp July 5th) YEP Camp Kuumba (creativity) will run July 12th - July 30th, V7 and YEP Summer Camp Imani (Faith in our community ) August 2nd-August 20th. YEP Camp Participants will attend from 9:00 am to 3:00 pm each day Monday-Friday, and YEP High School Teen Mentors will be employed from 8:30-4:30 Monday thru Friday. By providing three individual YEP Camps we offer flexibility. The daily YEP Camp schedule includes physical activity, exploration V 8 of the arts, team activities and field trips two days per week. Program goals include providing culturally responsive, robust in-person programming which affirms Middle School youth through opportunities to experience hands-on, exploration of the arts and our environment and engage in physical activity. Students will engage in peer to peer group activities centering collaboration and skill building of individual social emotional V9 wellness. A focus on cultural knowledge is imparted from staff of color, Employed Teen Mentors and leveraged partnerships who will create and maintain inclusive, welcoming environments for BIPOC and all youth. Teen Mentors will learn valuable leadership skills, co-lead group physical and team activities, while being supported and mentored themselves by YEP Staff Mentors/Group Leaders.

## Teen Theater Camp Counselors for Create-Your-Own Play

<https://nwcts.org/employment-opportunities/>

Teen Theater Camp Counselors will work directly with students ages 6–13 to bring imaginations to life through creative play, story creation, and devised theater. This work will happen under the mentorship and guidance of professional teaching artists. Specific performing arts experience is not necessary, but Camp Counselors should have a desire to work with elementary school-aged children and an interest in theater arts.

**If you are interested in this opportunity but learn about it after June 6, please contact NWCT directly to see if there are any openings.**

**June 28–August 27**

Camps will be held in the Franklin, Roosevelt, Jefferson, McDaniel, and Cleveland High School communities.

**Must be 16 years old by Sept. 1, 2021**

**16 positions available**

**Applications are due on June 6, 2021**

**Contact:** Erik Montague, [outreach@nwcts.org](mailto:outreach@nwcts.org) • 971-205-5716

## Teen Theater Fabricators for Create-Your-Own Play

<https://nwcts.org/employment-opportunities/>

Teen Fabricators will help bring campers' stories to life through the design and creation of sets, props, costume elements, or sound/music design. This work will happen under the mentorship and guidance of professional theater artists. Specific experience is not necessary, but Teen Fabricators should have a desire to work with their hands in a creative environment.

**If you are interested in this opportunity but learn about it after June 6, please contact NWCT directly to see if there are any openings.**

**June 28–August 27**

Camps will be held in the Franklin, Roosevelt, Jefferson, McDaniel, and Cleveland High School communities.

**Must be 16 years old by Sept. 1, 2021**

**18 positions available**

**Applications are due on June 6, 2021**

## Young Audiences Art Camps Classroom Assistant

<https://www.ya-or.org/join-us/staff-positions>

Young Audiences will be offering multiple weeks of arts based summer camps for elementary aged students. These camps will focus on introducing students to a variety of mediums.

The Camp Counselor spends the camp weeks creating a sense of community with a small cohort of elementary aged students and supporting these students as they move throughout their day.

The Camp Counselor will be supported in the classroom by a high-school-aged Camp Assistant, by at least two professional teaching artists who will manage the bulk of the arts instruction and by a Camp Administrator who will support the classrooms with any student specific needs including but not limited to first aid, COVID symptoms, parent phone calls etc. This team of educators will work to support a classroom of 12-15 children of a specific age group. They will work together to maintain a safe, creative and inspiring environment. These educators will lead the children through their day of outdoor time, art material exploration, as well as focused project time to play out the camp curriculum.
