INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Trustees of
Portland Playhouse

We have reviewed the accompanying statement of financial position of **Portland Playhouse** (a nonprofit organization) as of July 31, 2014 and the related statements of changes in net assets and cash flows for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

PORTLAND PLAYHOUSE

NOTES TO FINANCIAL STATEMENTS

JULY 31, 2014

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

Nature of Operations

The Portland Playhouse (the Organization) is a professional theatre that serves the Portland, Oregon community. It was founded in 2008 with the mission of producing quality, intimate, performances in which the interaction between artists and audience is paramount. They hold theatre to be in a space in which people of all social, economic, racial, sexual and political backgrounds can come together to celebrate the complexity of shared human experience.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) 958-205. Under ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. ASC 958-205 requires board designated funds to be reported as part of unrestricted net assets; accordingly, the Organization reports designations of voluntary board-approved segregations of unrestricted net assets for specific purposes as a classification of unrestricted net assets.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Unconditional promises to give are recognized as revenue or gains in the period the promises are received and as assets, decreases of liabilities, or expenses depending on the form of the benefit received. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

The Organization uses the allowance method to determine uncollectible unconditional promises to give. The allowance is based on prior years' experience and management's analysis of specific promises made. No allowance is deemed necessary as of July 31, 2014

Deferred Revenue

Advance season subscriptions and pre-paid single tickets fees received and costs incurred during the current fiscal year related to the next program season are deferred and included in operations for the next season.

NOTES TO FINANCIAL STATEMENTS

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICES (CONTINUED)

Cash and Cash Equivalents

For purposes of the financial statements, the Organization considers all unrestricted highly liquid financial instruments purchased with a maturity of three months or less to be cash equivalents.

Concentrations of Credit Risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist primarily of cash and equivalents and promises to give. The Organization maintains its cash and equivalents with financial institutions and limits its exposure to any one financial institution. Concentrations with respect to promises to give are limited due to the large number of donors comprising the Organization's donor base and the variety of the Organization's funding sources. As of July 31, 2014, the Organization had no other significant concentrations of credit risk.

Property and Equipment

Property and equipment are carried at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the depreciable assets. Maintenance, repairs and minor renewals are charged to expense as incurred.

Donated Equipment

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. It is the Organization's policy to imply a time restriction, based on the assets' estimated useful lives, on donations of property and equipment that are not restricted as to their use by the donor. Accordingly, those donations are recorded as support increasing temporarily restricted net assets. The Organization reclassifies temporarily restricted net assets to unrestricted net assets each year for the amount of the donated property and equipment's depreciation expense.

Donated services are recorded as support at their estimated fair value at the date of donation.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.
